...The Book of Mormon in combination with the Spirit of the Lord is “the greatest single tool which God has given us to convert the world.”<sup>4</sup> This Restoration volume of scripture is the keystone of our religion and is essential in bringing souls to the Savior. The Book of Mormon is another testament of Jesus Christ—a vital confirming witness of the divinity of the Redeemer in a world that grows ever more secular and cynical. Hearts are changed as individuals read and study the Book of Mormon and pray with real intent to learn of the truthfulness of the book.....
