

Katy 1st Ward Spiritual Message #50

Did you know that light has no shadow?

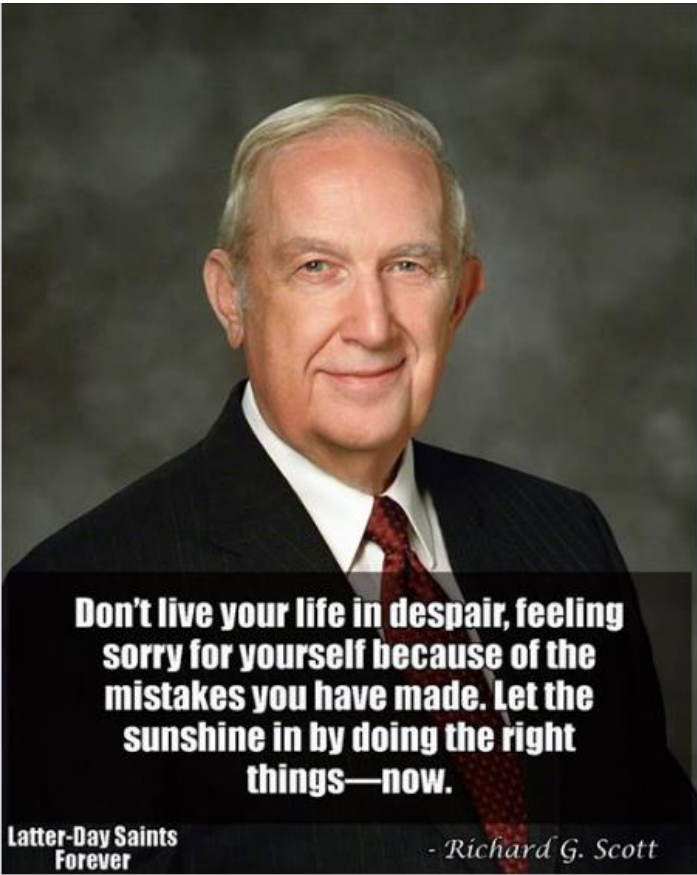

Have you ever thought about the fact that darkness cannot overcome light? Why? Because there is no such thing as darkness. Darkness is just the absence of light? That is why light always overcomes darkness. That means no matter how hard it tries, the darkness cannot put out light within you either. Ever! You can trust that the Savior's light will always be there for you.

John 1:5 King James Version (KJV)

5 And the light shineth in darkness; and the darkness comprehended it not.

Brother Vail

Don't live your life in despair, feeling sorry for yourself because of the mistakes you have made. Let the sunshine in by doing the right things—now.

Latter-Day Saints
Forever
