

NEVER GIVE UP ON SOMEONE JOINING THE CHURCH

Jennifer was on the do not contact list in Gig Harbor. Her husband was a Jehovah's Witness and did not want anyone to come to their house. She and her son Wesley came to church for a couple of months when Wesley was about 10. Each week we talked to her and tried to make her feel welcome. When she stopped coming, We sent her post cards in the mail every month for 5 years. Finally the missionaries called and said they had tracted them out and were teaching them. They asked if we would come help teach them. During the first lesson Jenifer told us she still has all those Home Teaching cards we sent to her over the 5 years. He husband and son were baptized. Last month their son left for his mission in the Philippines. Even when family members or friends say they are not interested, we should never give up on them. Who can say now how many more people will join the church just because we sent those little Home Teaching cards like we sent to Jennifer for 5 years.

Alma 26:22

Yea, he that repenteth and exerciseth faith, and bringeth forth good works, and prayeth continually without ceasing—unto such it is given to know the mysteries of God; yea, unto such it shall be given to reveal things which never have been revealed; yea, and it shall be given unto such to bring thousands of souls to repentance, even as it has been given unto us to bring these our brethren to repentance.

**HOW TO GAIN FAITH**

And now as I said concerning faith – faith is not to have a perfect knowledge of things; therefore if you have faith ye hope for things which are not seen, which are true.
