THE GOSPEL IS LIKE A PIANO

Some times when we are listening to General Conference or Attending a Stake Conference, we hear something that is like a life changing moment to us. Years ago when I was in the Army at Ft. Benning, GA I had one of those experiences. President Taylor the stake president of the Columbus, GA stake was giving the opening talk in conference. In that talk he said something that I still think about over and over to this day. He simply said, "THE GOSPEL IS LIKE A PIANO. WE ALL HAVE THE SAME PIANO BUT WE DON'T ALL PLAY THE SAME MUSIC". I so often think about that and wonder what kind of music the Lord feels like I am playing with the "PIANO" he gave to me.
