

# 42 Evidences of the True Church

This list is from a book called **The Greatest Quest** by Blaine and Brenton Yorgason (Deseret Book Company). This novel describes the search by five college students to find the one true Church of Jesus Christ. At the end of this book, the authors combine their research with the work of Henry Whiffen who also developed a list. Together these gave a total of 42 points. In this list each point has been documented with scriptural references
