

BELIEVE OIL FOR ANIMALS

Nan Martian

I have used it for horses that had confidence problems or seemed like they were giving up. I had an older horse in my barn that kept injuring himself and seemed as though he was just didn't want to be here anymore. I used Believe and Live with Passion and noticed that his health and attitude took a huge step forward within a week or so. He went on to be sold and is back showing on circuit today!

Note about animals: Certain oils can be very toxic to cats. Citrus products and oils in particular that are not of therapeutic grade quality! Please consult your vet if you are not sure about applying any essential oil to your pet.
